# 2023 ABERDEEN NEURODIVERSITY CONFERENCE

# OUR FEEDBACK

HAVING SPEAKERS WHO NOT ONLY TALK ABOUT NEURO-DIVERSITY FROM A MEDICAL/SCIENTIFIC UNDERSTANDING BUT WHO ARE THEMSELVES NEURO-DIVERGENT MEANT THERE WAS A TRUE UNDERSTANDING OF THE IMPACT OF NEURO-DIVERSITY ON INDIVIDUALS.

I REALLY ENJOYED THE DEEPER DISCUSSION ABOUT ADHD AND GIRLS

THE WHOLE PRESENTATION WAS THOROUGHLY INFORMATIVE AND ENGAGING.

I THINK IT WAS A GOOD MIX OF TOPICS/SPEAKERS - NOT TOO MUCH OVERLAP.

FROM START TO FINISH, INFORMATIVE AND THOUGHT PROVOKING.

DIFFERENT WAY OF LOOKING AT NEURODIVERSITY - VERY INTERESTING AND KNOWLEDGEABLE MAN

RESEARCH-BASED INFORMATION PRESENTED ALONG WITH PRACTICAL STRATEGIES, VERY THOUGHT-PROVOKING.

THE VARIED SPEAKERS AND THE INSIGHT WAS SO INTERESTING AND USEFUL. PARTICULARLY ENJOYED JOE WELLS!

I REALLY ENJOYED HEARING ABOUT ALTERNATIVE APPROACHES TO INTERVIEWS TO SUPPORT NEURODIVERSE CANDIDATES AND GETTING INFORMATION ON FURTHER SUPPORT IN THE WORKPLACE.
